

LET'S STAY IN TOUCH VIA THE INTERNET

Did you know that Paw Prints is available on-line? It has all that you see in print and more - more articles, stories and pictures from our Family Album, and links to related web resources.

Paper, printing and postage are expensive. We want more of our limited funds to be used where they are most needed - helping the homeless animals of Warren County.

If you are not currently on our email distribution list please go to www.warrenhumane.org. Click join our on-line mailing list. Your comments, questions and suggestions are also welcome.

Make Adoption Your Option

A Publication of the Warren County Humane Society
212 Elm Street, Warren, PA 16365 814-726-1961

THANKS PURINA!!!

The Nestle Purina Petcare program has been providing food for the Society pets for several years. "Purina saves lives here in Warren", states Karen Kolos, Director. "We are very lucky to have them close and be so generous to our shelter. Kitten food is the only food we do not receive from Purina. Donations of Purina Kitten Chow is always welcome." Check the Purina website for dog and cat care tips, coupons, and special offers. Visit www.warrenhumane.org/PawsPrintson-line for more about Purina's food program.

WARREN COUNTY JOINS TO HELP MORE DOGS IN PA

*A Safe Harbor for Dogs: A Partnership between the Pennsylvania
Veterinary Medical Association and the Federated Humane
Societies of Pennsylvania.*

This program was a jointly created effort to provide commercial kennel owners a humane means of divesting themselves of unwanted dogs. The Humane Society of Warren is committed to second chances to dogs no matter where they come from.

More information: [A Safe Harbor for Dogs](#) (A PDF file on the Pennsylvania Veterinary Medical Association website.)
