LET'S STAY IN TOUCH VIA THE INTERNET

Did you know that Paw Prints is available on-line? It has all that you see in print and more - more articles, stories and pictures from our Family Album, and links to related web resources.

Paper, printing and postage are expensive. We want more of our limited funds to be used where they are most needed - helping the homeless animals of Warren County.

If you are not currently on our email distribution list please go to [www.warrenhumanesociety.org](http://www.warrenhumanesociety.org). Click join our on-line mailing list. Your comments, questions and suggestions are also welcome.

## Membership Matters to the Animals

Please become a member or renew your membership for 2010-2011!

The Warren County Humane Society believes that animals deserve a second chance. We care about all animals. We offer many services in our county and communities including: adoption of companion animals, shelter and vet care for injured and homeless animals, animal control, tours, humane traps, obedience training, cruelty investigations, and dog licenses. Our cruelty investigation program has saved many animals from neglect and poor conditions.

On any given day there is an average of 80 animals sheltered at the Humane Society. Your membership helps the 1200-1500 animals that will make their way to our shelter every year.

The Warren County Humane Society is counting on your support. We appreciate your generosity and commitment to animals. Here's how you can help:

- JOIN US! Become a Member
- Volunteer
- Make a Donation
- Donate items on our Wish List (see page 2)
- Have a party! Celebrate your next birthday, anniversary or other special occasion by asking guests to bring gifts for our homeless animals. Cleaning supplies and paper products are also needed. Gift cards and money are always welcome.

### A loved pet says goodbye ...

*Mallory spent 14 wonderful years with our children, and she was loved by everyone who met her. I wanted to thank you for giving us this beautiful creature to share our lives with.*
