Pet Cremation Services Available

The Humane Society has been providing quality cremation services to area veterinarians and the public for nearly 5 years.

Pet owners choose pet cremation for many reasons, but the most important is because they care and want to know what happens to their pet.

Our reputation is caring for animals and it only seems fitting that our caring extend to help at the end of a pet's life.

Special Remembrances

Special Remembrances are a great way to honor or remember pets and pet lovers.

Honorary Donations - Donations made in honor of a person, pet or special occasion.

Memorial Donations - Donations made in memory of special person or a beloved pet.

Special remembrances in honor or memory of people are published periodically in the *Times Observer* and this newsletter.

All remembrances are posted each month on our website.

Acknowledgements are sent to the donor and to notify the family or honoree of your thoughtfulness.

Sponsor-A-Kennel - With a \$20.00 donation or more you get to choose a type of kennel, Dog or Cat, and a plaque will be placed on a kennel for everyone to see that visits the animals at the shelter. There is a maximum of 3 lines containing 24 letters including spaces for each line on the plaque. We mail thank you cards for the Sponsor-A-Kennel and they can be done as a gift. Just fill in the comments section on where to mail the acknowledgment and it will be mailed saying you sponsored a kennel in their name.

An asterisk (*) indicates the donor chose to Sponsor-a-Kennel in honor or memory of a person, event, or pet.

Dedicated contributors keep our services going. We thank you all!

PLAN FOR YOUR FUTURE AND THEIRS

Leave an important legacy.

A will is perhaps the most important document you will prepare in your lifetime expressing your wishes for your property, investments and dependents. It also creates opportunities to support the Humane Society in Warren. That support in turn helps us provide for the many homeless pets in need yearly. Do you need to update your will or are you concerned that you don't have one? If so, it's never too early to consider your estate plans, especially if you have pets.

Winter Pet Care... Cold Weather is Coming!

1. Animals need extra food in the cold weather.
2. Outside pets by law must have adequate shelter.
3. Fresh Water must be provided at all times.
4. Antifreeze is poisonous to pets and children.
5. Bring your pets inside during harsh weather.
6. Exercise your pet, keep them warm with a sweater.

Think about what you would like and provide that for your pet. INSIDE IS BEST!
